Organization: Journey to Diversity Workplaces – Where Every Story Matters

Reports To: The Board of Justice Journeymakers

About Journey to Diversity Workplaces: In the tapestry of humanity, Journey to Diversity Workplaces is the thread that weaves through the fabric of our society, binding us in unity. Our quest is to illuminate the path to a world where every voice is heard, every dream is valid, and every day is a celebration of our shared humanity.

Position Summary: Embark on a noble quest as the President & CEO of Journey to Diversity Workplaces. With the wisdom of the ages and the vision of a seer, you will lead our crusade to vanquish uniformity and champion the cause of diversity, equity, and inclusion across the realm of work.

Our 5 Key Values:

- **Respect**: Respecting differences ethically, morally, and legally.
- **Inclusion**: Creating a workplace where everyone feels valued, respected, and empowered.
- **Diversity**: Celebrating and leveraging the diversity of people, perspectives, and experiences.
- **Equity**: Ensuring fair and equal opportunities and outcomes for all.
- **Safety**: Promoting a culture of safety, well-being, and accountability.

Responsibilities

- Chart the course to undiscovered lands of opportunity, where strategies for DEI are not just plans but passions brought to life.
- Conjure programs that transform workplaces into sanctuaries of acceptance and engines of innovation.
- Be the voice that echoes through the halls of power and the whispers of change, sharing our saga far and wide.
- Forge alliances with the mighty and the meek, building bridges that unite

and uplift.
- Guard the treasure chest, ensuring our resources fuel our mission and our future.
- Lead a fellowship of trailblazers, nurturing their spirits and guiding their steps towards greatness.

Qualifications

- A heart that beats for justice and a mind that turns barriers into bridges.
- A storied career as a vanguard of virtue, with deeds of DEI valour etched in your legacy.
- A silver tongue and a golden touch, capable of moving mountains and minds alike.
- A visionary's gaze that sees beyond the horizon, dreaming dreams that become deeds.
- A sage of stewardship, versed in the alchemy of assets and the magic of motivation.
- A leader of legends, whose compass points true north to integrity and honour.

To Apply: Send forth your chronicle (information), your ode to diversity (our application form), and the names of three noble champions (professional references) to the keepers of our quest.
